- Compact Mobile Keyboard
- Integrated HulaPoint Pointing Device
- Red LED Backlighting
- USB and PS2 Configurations Available
- Various Keyboard and Language Layout Options

Typical Applications

- Commercial
- Field Services
- Industrial
- Mobile Work force

Product Description

The SLK-79-M has been designed for those mobile applications when a small-footprint keyboard may come in handy. Featuring an integrated HulaPoint IITM pointing device with dual left-click capability, the SLK-79-M offers a large amount of functionality in an ultra-small package.

For working in low-light environments, the SLK-79 features the added convenience of backlit keys. Like other keyboards in the iKey line, the SLK-79-M features sealed industrial silicone rubber keypads, as well as robust ABS polycarbonate cases. The SLK-79-M features mounting holes in its case.
