

EK-106

Main Features

- Fully Sealed, Cleanable Keyboard
- IP67 Rated
- 10-Key Numeric Pad
- USB Configurations Available

Typical Applications

- Commercial
- Healthcare
- Industrial
- Medical

Product Description

The EK-106 medical-grade keyboard is completely sealed and seamless to provide IP67 protection. Resistant to splashing, hose-directed and submerged water, the EK-106 can be effectively sanitized with any hospital-grade solution, or in a dishwasher (EconoShield™ USB cover required). The sealed silicone design also eliminates downtime due to clogged keys caused by airborne dust and debris.

The EK-106 features a 10-key numeric pad for data entry, and easily integrates with any Econo-Keys washable mouse.

Technical Specifications

SKU	EK-106
Manufacturer	EconoKeys
Country of Manufacture	United States
IP Rating	No
Number Of Keys	106
Function Keys	12 Keys
Key Material	Silicone Rubber
