

## EK-76-TP

### Main Features

- Small Footprint Design
- Integrated Touchpad
- Sealed to IP67 Standard
- USB Connectivity

### Typical Applications

- Commercial
- Healthcare
- Industrial
- Medical

## Product Description

---

The EK-76-TP is a small-footprint keyboard with an integrated touchpad and mouse buttons on the back.

Designed for applications where mobility is crucial, its slim case and unique format make it ideal for medical and industrial environments.

The EK-76-TP is sealed to IP67 standards to be resistant to dirt, dust and debris, and to provide easy cleaning to meet hygienic protocols.
