

EKFT-108

Main Features

- Waterproof
- Full Travel Design
- 10-Key Numeric Pad
- USB Connectivity

Typical Applications

- Commercial
- Healthcare
- Industrial
- Medical

Product Description

The EKFT-108 is a completely waterproof full-travel keyboard that looks and feels identical to a standard unit. Built with a watertight sealing around the electric circuitry and a removable USB protector, the EKFT-108 can be cleaned with spray disinfectants, water submersion or by placing on the top rack of a dishwasher.

Technical Specifications
